

Surgical Robot Naming Contest

Hey Kids!

You can help name the newest member of Capital Region Medical Center's Surgical Team!

The winner will receive a **\$50 visa gift card** and **CRMC prizes!**

Recently, Capital Region Medical Center acquired the da Vinci Xi Robotic Surgical System, the most advanced system for robotic surgery to date. Robotic Surgical cases began on April 10 and the patient feedback has been outstanding. The da Vinci's robotic technology enables surgeons to perform minimally invasive procedures with unrivaled precision. Patient experience significantly less pain, less scarring, shorter hospital stays and quicker return to normal activities.

How the Contest Works:

- Print out a color page from crmc.org/roboticsurgery or pick one up and complete it in person at our open house event on April 18, 2017 at Capital Region Medical Center's Tunnell/Wherritt Community Conference Center from 4-7pm
- Submit your artwork and your idea for the name for the robot in person during the open house.
- Submissions should include the child's name, a parent or guardian's name and a daytime phone number
- The winner will be selected by the CRMC Surgical Team

Contest Rules:

- The contest is open to kids 13 and under.
- Multiple entries per person are accepted
- Submission must include colored robot picture, the artists name, parent or guardian's name and a daytime phone number
- Deadline for submission is 7:00 p.m. CST on Tuesday, April 18 at the Open House Event. The winner will be announced on Thursday, April 20.
- By claiming the prize, the winner authorizes the use, without additional compensation, of his or her name and/or photograph and municipality of residence for promotional purposes in any medium which Capital Region Medical Center may deem appropriate.
